

## REAL STORIES FROM REAL PEOPLE

Choosing the right cup can make a big difference in safety, confidence, and daily comfort. Here's what families and caregivers who use the Provale cup every day are saying.

### **“It's working so well for my husband.”**

“I purchased the 5 cc cup for my husband and it's working so well. We use it for his tea and water. His dietician is very pleased that he is able to drink 6 to 8 cups a day using your cup. We've recommended it to others. Thank you for a very good product!”

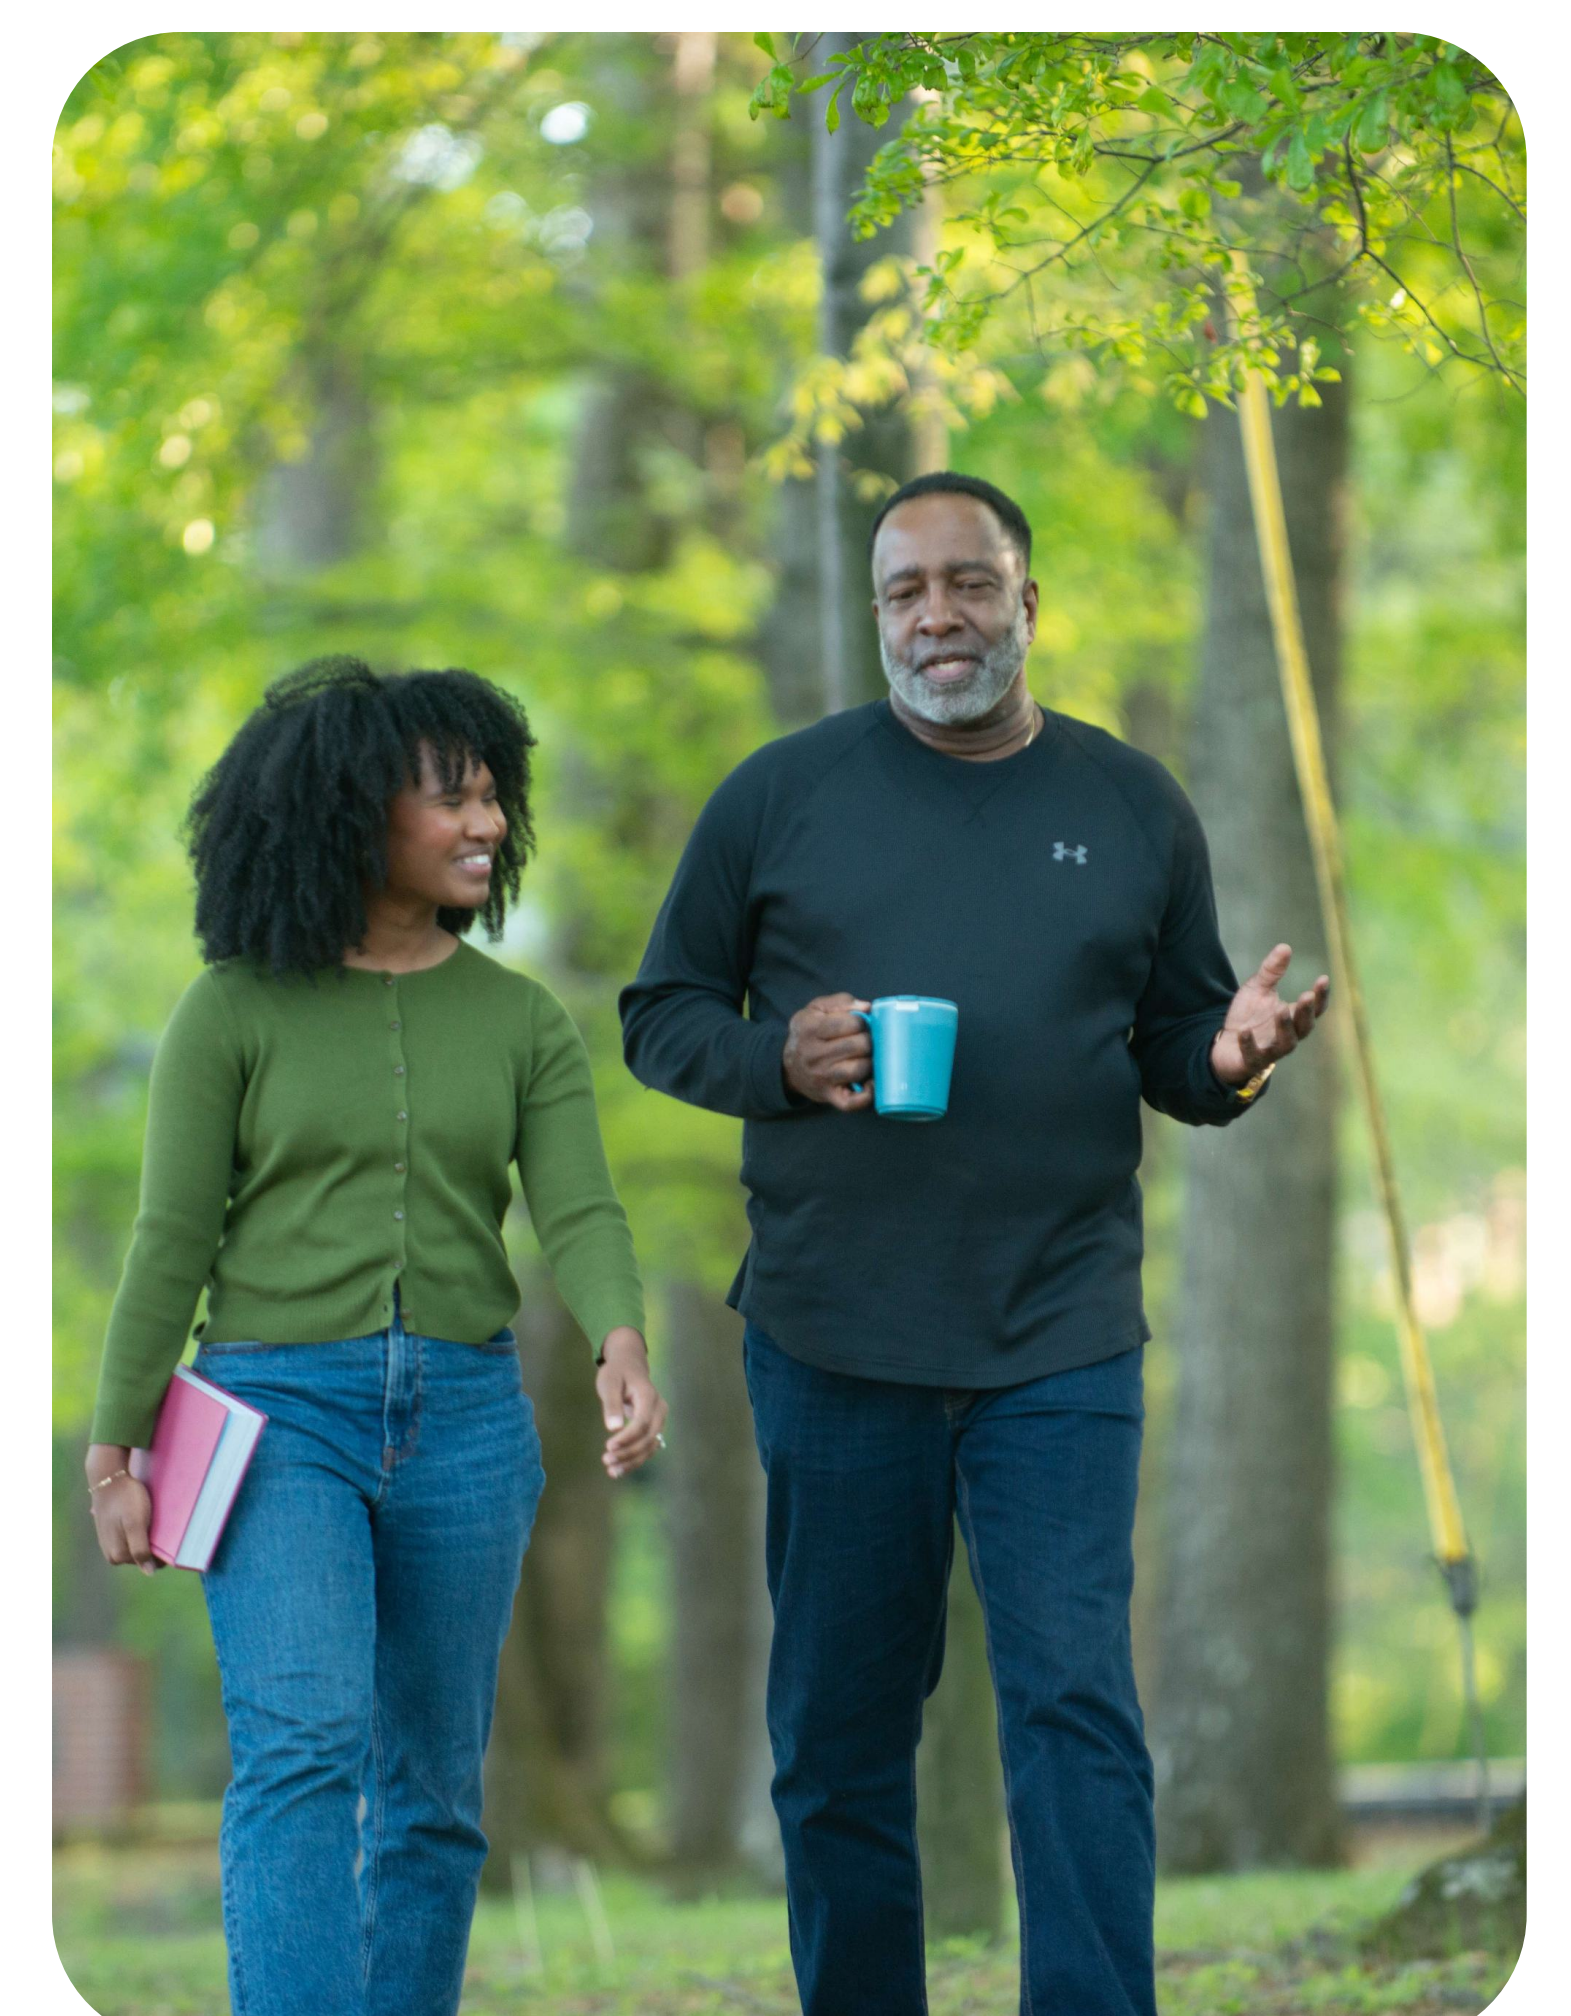

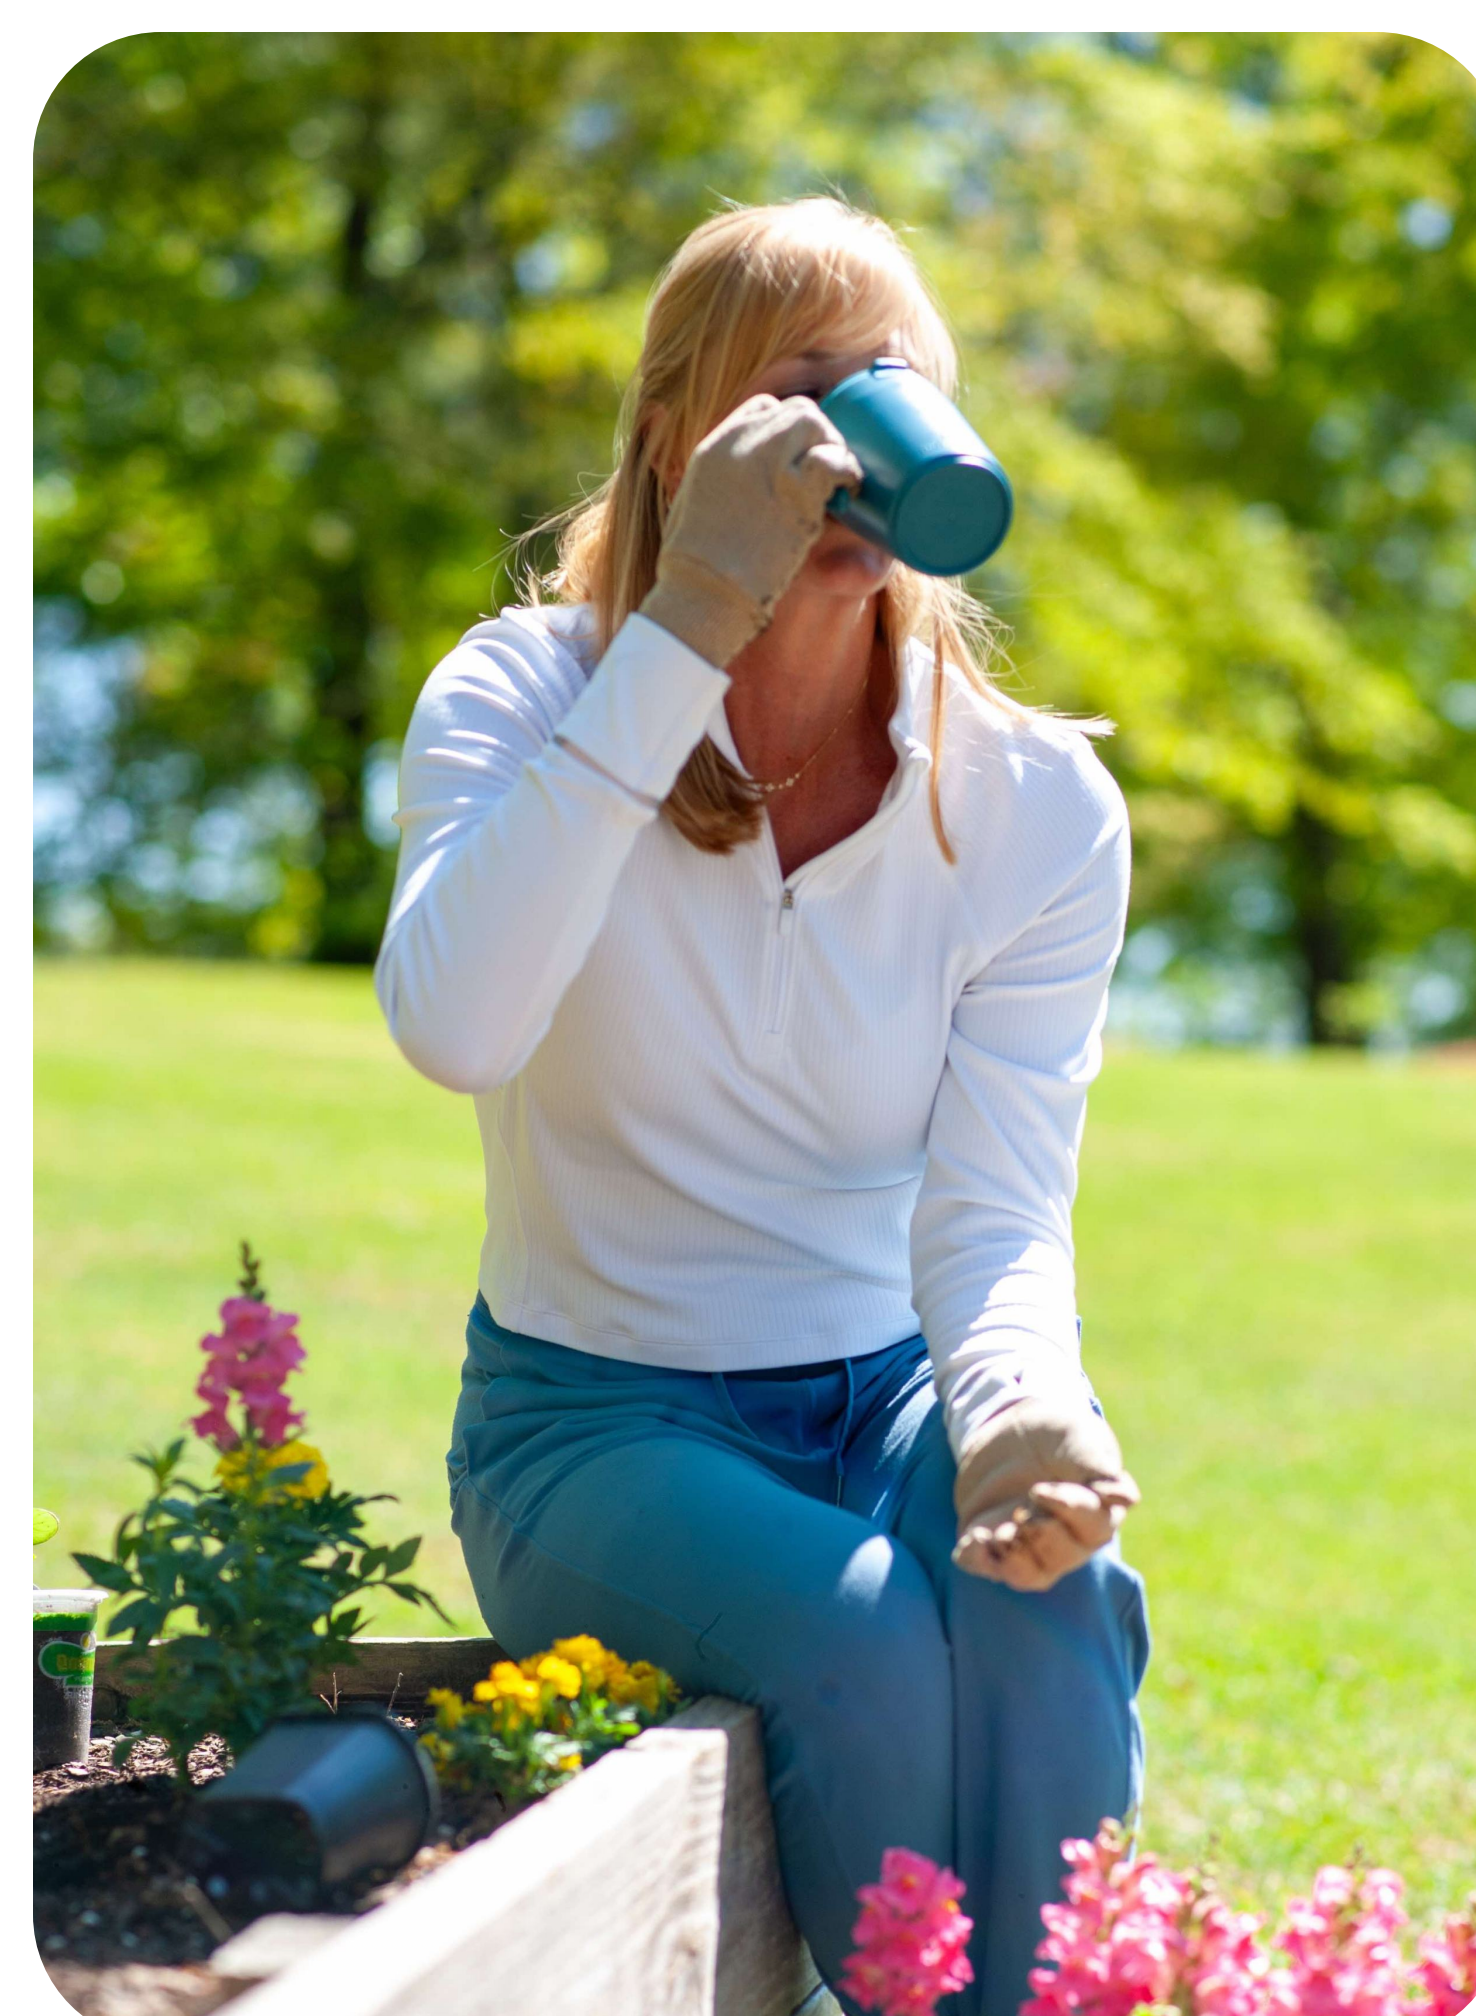

### **“These cups helped reduce his aspiration pneumonia.”**

“We love your dysphagia cups. My dad started with the 5cc and has moved to the 10cc. They have helped with reducing his aspiration pneumonia.”

### **“Superior performance during a difficult time.”**

“We salute ProvaMed for the display of superior performance in customer relations and efficiency. The shipment arrived quickly. Kindly convey our special appreciation to your management for their cooperation and caring.”
